# ABOUT INTERNATIONAL MODEL UNITED NATIONS

International Model United Nations (IMUN) is an academic simulation of the United Nations where the participants play the role as delegates from different countries and attempt to solve real global issues with the policies and perspectives of their assigned country. It is a "learning by doing" method of studying about the diplomacy, international relations and the United Nations. International MUN is an exciting opportunity to debate issues that confront world leaders, to draft world resolutions in response to the global issues and work with others who are equally motivated and passionate about the topics of debate. The longevity and dynamic that only a conference of our size can achieve, make IMUN one of the preeminent simulations of the United Nations in the world. IMUN is aimed to provide a platform for youth to learn about diplomacy, critical thinking, public speaking and the United Nations conference. The ultimate goal of IMUN is to encourage the youth to be aware of the international issues, understand and try to form a possible solution to solve global issues. We hope through IMUN, participants learn the importance of balancing national interests with the needs of the international community.

# OBJECTIVES OF IMUN

To develop deeper knowledge on current global issues and improve critical thinking.

To strengthen participants' diplomacy skills and develop ideas to solve current global problems.

To improve researching, public speaking, debating and writing skills in addition to critical thinking, teamwork and leadership abilities.

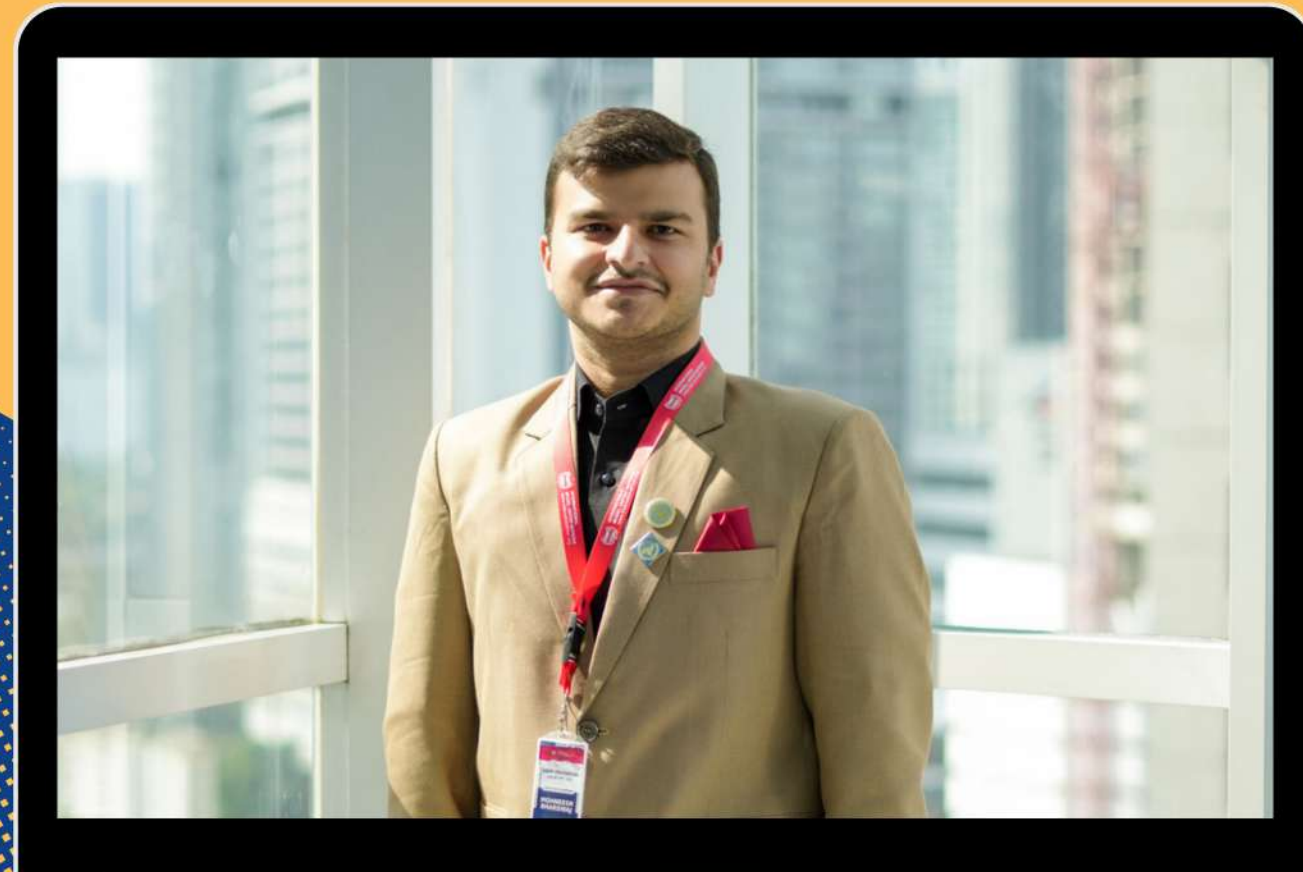

To differentiate between the parliament and the UN, while distinguishing power struggle from diplomacy.

To improve international exposure by gaining experiences from delegates across the world.

# EXECUTIVE CHAIRMAN'S MESSAGE

Dear Esteemed Participants,

It is with great pleasure and honor that I extend my invitation to the upcoming **IMUN Indonesia 2024**, set to take place in Jakarta from **July 12th to 14th, 2024**. This collaborative endeavour is made possible through the partnership with the **Atma Jaya Catholic University** of Indonesia.

In our continuous commitment to fostering international dialogue and diplomatic discourse, IMUN Indonesia 2024 aims to provide a platform for delegates from around the world to engage in meaningful discussions. Our previous session in Hanoi, Vietnam, hosted at the Horizon International Bilingual School, garnered significant success, with over **200** delegates representing **40** countries. This accomplishment, coupled with the support of the United Nations in the Philippines, underscored the event's global significance.

IMUN serves as a paramount platform for youth to participate in constructive debates, fostering diplomatic skills and preparing them for leadership roles in the future.

We are dedicated to delivering another exceptional conference, offering participants from diverse corners of the globe an enriching and academically fulfilling experience. Your presence at **IMUN** Indonesia 2024 is eagerly anticipated as we collectively contribute to the success of this international forum.

Best Regards,

Mohneesh Bhardwaj  
Executive Chairman,
